TO: Regional Coordinators of Education
County Directors of Education
Sub-County Directors of Education

**RE: EXTENSION OF SUBMISSION OF SCHOOL DATA THROUGH NATIONAL
EDUCATION MANAGEMENT INFORMATION SYSTEM (NEMIS)**

Following the successful launch of submission of school data through National Education Management Information System(NEMIS) vide a circular MOE/CONF/G8/16/90 dated 23rd January, 2018 all schools were required to register all learners in the NEMIS by 20th February 2018.

The Ministry has received enormous request for the extension of the registration period to accommodate learners who had not acquired birth certificates. As the Civil Registration Department continues to issue birth certificates, there is need to provide more time for all learners to count.

The Ministry has considered the issues and hereby grant an extension of the deadline to **31st March, 2018**. You are requested to ensure that this deadline is strictly adhered to.

DR. BEMLO R. KIPSANG, CBS
PRINCIPAL SECRETARY
